EVERETT HIGH SCHOOL

EVERETT, WASHINGTON

FOREWORD

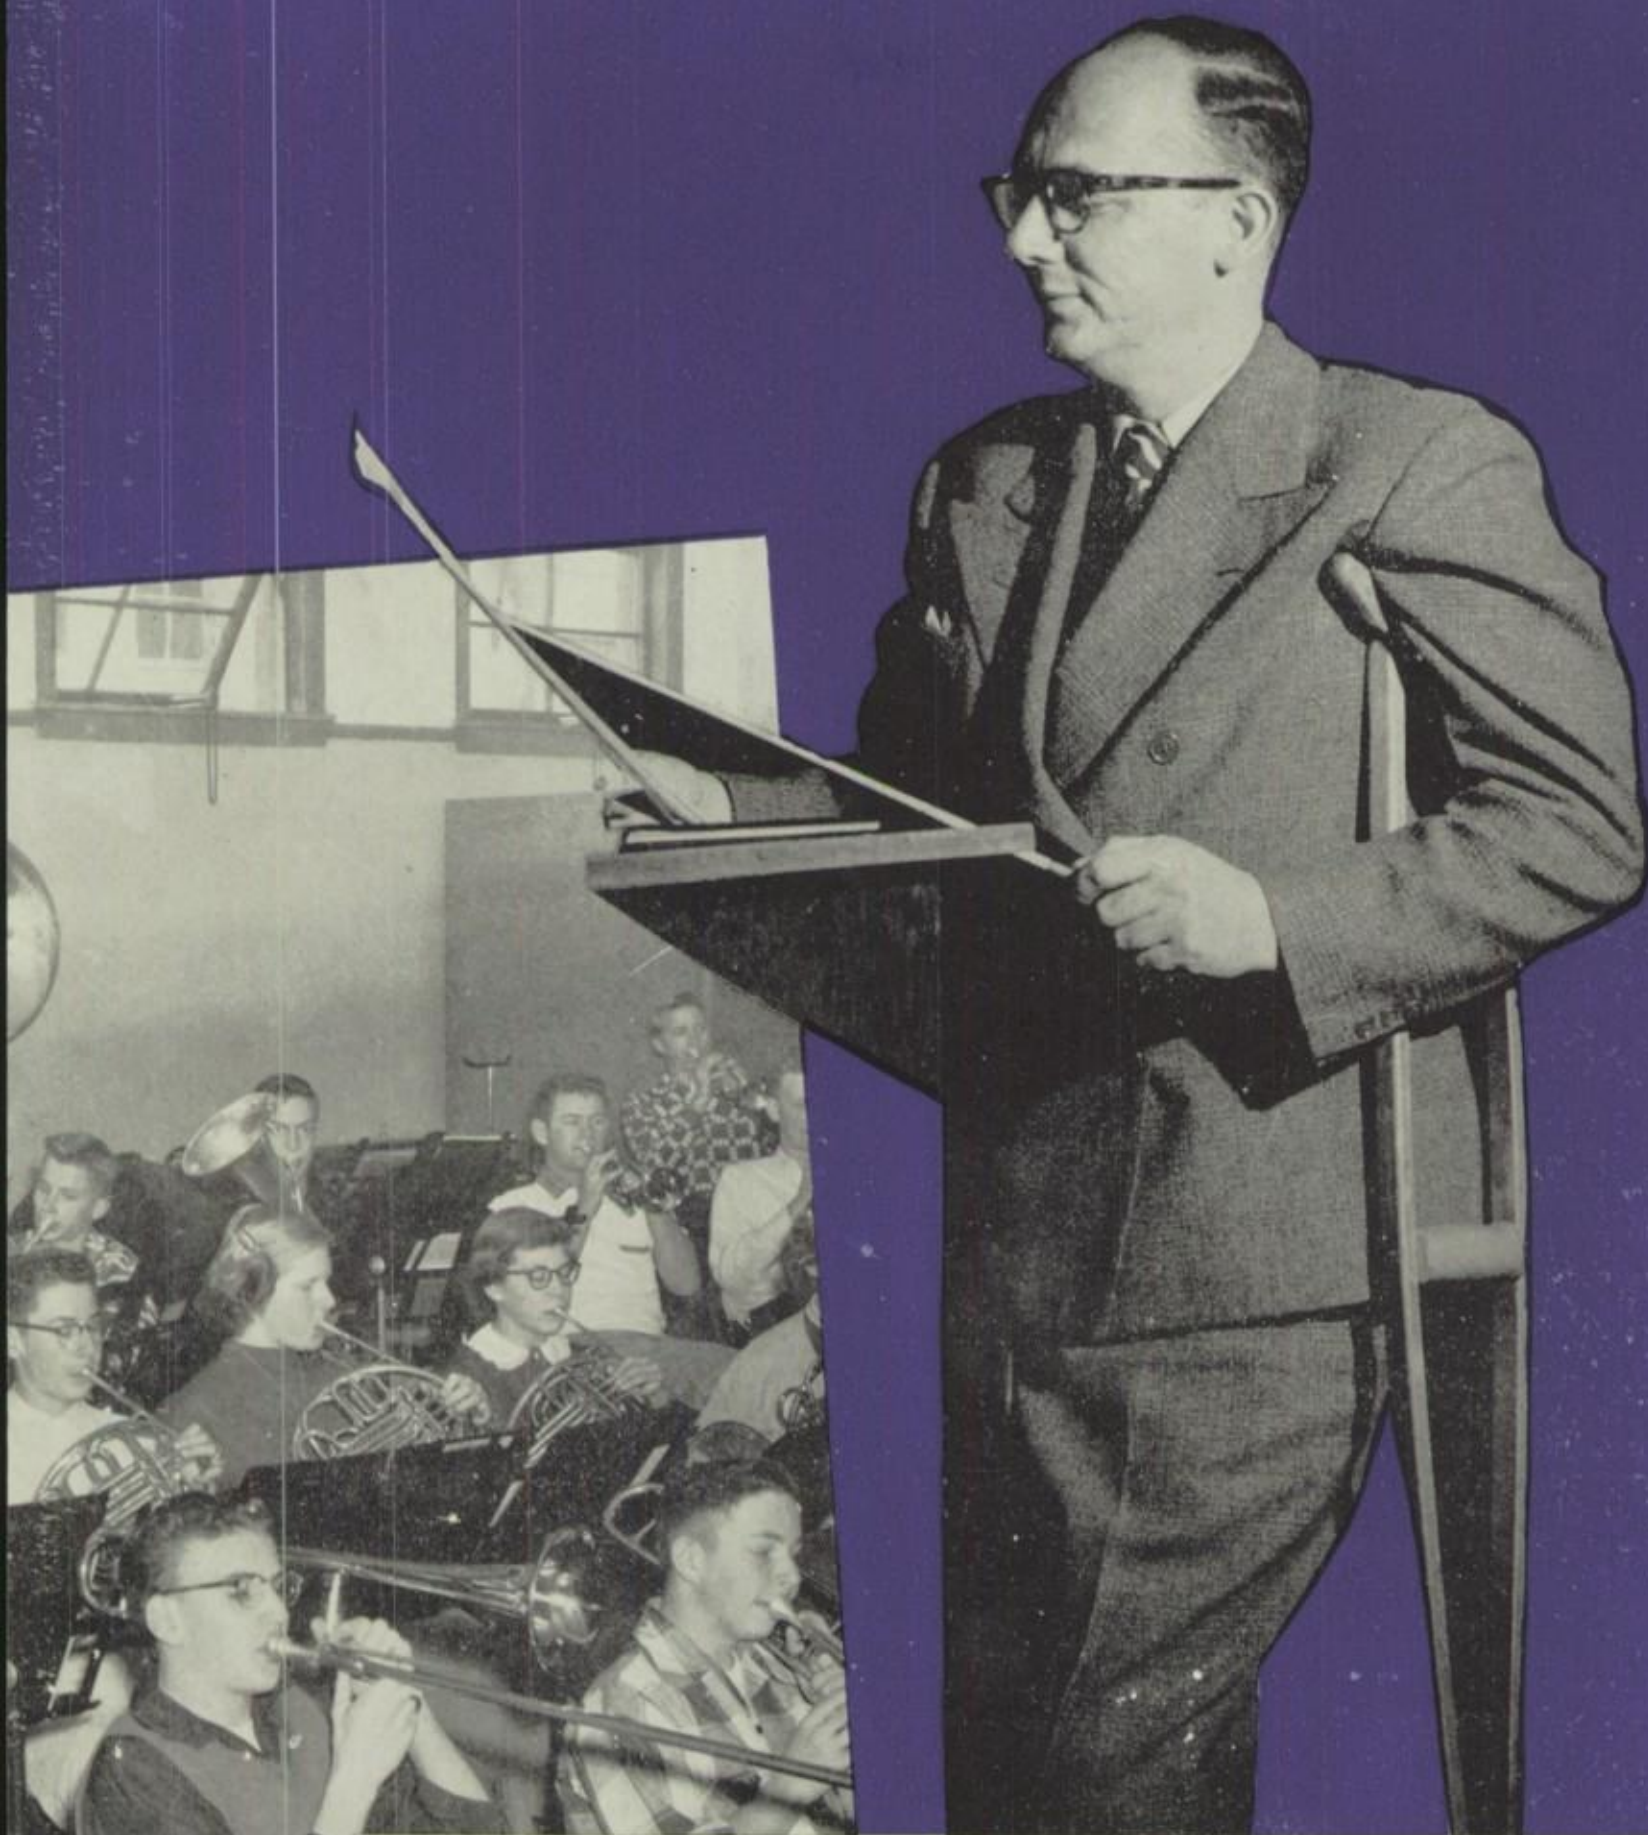

WHO among us, faculty and students of Everett High School, has not felt inexpressible pride when we all assemble in the auditorium? Our hearts thrill when we are led in the Pledge of Allegiance. We are then most aware that we are one united body, both in strength and honor, thanks to students of a succession of former years.

In this "Through the Years" edition our "Nesika" recalls

some glimpses of the past and records the school's 1952-1953 activities. We look forward to a future of continuing strong loyalty of students to all this school represents.

Our sixty years have seen World War I, the Golden Twenties, and an economic depression; recovery from that was followed by World War II and later by the Korean conflict. The Atomic Age in which we now find ourselves is ten years old. What further incredible world events face future students of Everett High?

DEDICATION - 1953

Through the years, the Everett High School music department has won an enviable reputation for itself. Certainly the credit goes to you, RAYMOND HOWELL, its director. During the past twenty-three years your interest, not only in the music field, but in the entire student body, has been untiring and enthusiastic. Your skilled baton has been like a magic wand producing snappy bands and outstanding orchestras.

You have worked not only with instrumental groups, but also with individual students. Much of your time is spent giving lessons and outside music tests. The Kord Kings, under your wise guidance, have become widely known as a barbershop quartet.

You have proved the adage, "You can't keep a good man down." Last year you were struck by a car while drilling with the band. Many men might have forgotten their work; but not our "Ray." From your bed you continued to direct important matters of your department including half-time entertainment for our ballgames.

It is with sincere appreciation for your promotion of school spirit that we dedicate this, our "THROUGH THE YEARS" Edition to you, Raymond Howell.

GLIMPSE OF THE PAST

In this issue we commemorate the year 1893, when the first person graduated from Eveertt High School. In 1893 EHS was given the tower of Monroe School and that was ample room because there were only five or six students in the class. More students enrolled, so the school was moved to the Broadway Building. The rooms were spacious and it was in this building that the Alki Library Society originated. In 1895, the number of students necessitated another move; this time it was to the second floor of the Colby Building. In this building there was an assembly hall, principal's office, laboratory, and two class rooms, and here the Kodak was started. This was the home of our high school until 1902 when, for the first time, Everett High School occupied a building by itself. It was in this building that our Nesika originated, because, as nearly as we have been able to establish, the first Nesika was published in 1908. In 1909 the present building was built. Since that time, the commercial, vocational, and auditorium buildings have been added.

* * *

We think we have fads 'n' fashions these days. What of those days? Spit-curls were the fad and my, they looked cute underneath those women's sailor hats. Those gals didn't wear frilly blouses—no, sir—but tailored ones with belts sometimes as wide as two inches. Naturally, the skirts reached the floor; no one was daring enough to show her ankles. And of course we couldn't miss those button shoes with the painted toes and spats. The men wore their hair parted in the middle and oh, that mustache with its waxed ends! As master of the house he had to look stern, and he certainly succeeded with a stiff collar. No, he wasn't going golfing; that cutaway jacket and those knickers were right in fashion for the businessman.

What fun they had in those days with their clubs and activities. To be in the swing of things you belonged to either the German, Latin, or other class clubs. No year was complete without the yell-fests, candy sales, and a loud socks' day. The seniors celebrated their graduation with extra parties known as "informals." Yes, those were vigorous, growing days at EHS and we, the present students, have benefited from every one of the sixty graduations since 1893.

EYES ON FUTURE EDUCATION

Students make up the bulk of the humanity that is Everett High School, but a handful of adults have dedicated their lives to protecting and furthering educational opportunities for us. These leaders give direction so that our less mature minds will not deviate into error. At the same time they encourage the students to think independently and to explore new horizons.

Administrators have consistently provided not only for the immediate needs of the school but also for future needs of a changing society. Our present administrative staff, shown above, is carrying on this tradition.

The school board (members shown at left and right) is directly responsible to the citizens of the community for the orderly and efficient functioning of the school and voluntarily offer their time for our advancement.

The PTA is composed of parents and friends of teen-agers interested in their problems. High school students are invited to their meetings and contribute their ideas. The theme this year was "Our responsibility—the citizen child," which was carried out effectively through programs presenting speakers and panel discussions.

The PTA is a constant protector of school interests and we wish to acknowledge our debt and express our thanks to the PTA and administrators for their unrestricted giving of themselves that we the students might enjoy the results of those years of tradition which have made Everett High School great.

Officers and cabinet members of PTA, below, are: left to right, front: Mrs. K. L. Ritchie, first vice-president; Mrs. Hugh DeLong, treasurer; Mrs. E. A. Gall, secretary; Mrs. Quinter Cripe, president; Mrs. Lloyd Hovde, program chairman. Back row: Mrs. Frank Evans, hospitality and ways and means; Miss Eleanor Ahlers, third vice-president; Mrs. Thomas Welch, membership; Mrs. Richard Blick, publicity; Mrs. Raymond O'Brien, second vice-president.

The members of the School Board pictured below are: Mrs. Myrtle B. Ferrell, chairman; Knut E. Kravik, E. R. McIvor.

Board members pictured below are: Rev. C. E. Shikles, H. R. Secoy, vice-chairman. Oscar Johnson is Board secretary.

NEW ADVISORY SYSTEM BEGUN

Left to right are: Miss Katherine McCormack, formerly of the mathematics department, who is the newly appointed Registrar; Miss Esther Johnson, Girls' Club adviser, who is a tremendous help to the girls of EHS; Mr. William Hatch, Boys' Club adviser, who ably finds solutions to the boys' problems; Mr. Frank Brokaw, home counselor, provides a link between school and home.

Miss Catherine Ross, who acted as assistant to the principal, retired at the beginning of the school year. She checked senior graduation credits and helped with graduation activities. When she first came to Everett High she recorded all attendance until the job was given to the vice-principal.

Mr. James Akright is retiring this year after many years as head of the English department. He has conducted public speaking classes, coached debate teams and encouraged contests; commencement speeches have been made under his guidance. In addition he acted as boys' adviser for a few years.

Offering invaluable aid to students in their scholastic problems while performing their regular teaching duties, we find the hard working supervisors of the various departments. These faculty members have taken on the added tasks of seeing that their departments work together.

BELOW, top row, left to right: Miss Eleanor E. Ahlers, who was recently appointed Library Supervisor for Everett schools after belonging to us exclusively for some time; she is adviser of the Library Club here at school. Clifford Bromling, acting head of the vocational department, gives much of his time at the Gulls' Nest. Coach James Ennis, head of Everett's athletic department, led our football team to the Cross-State championship and virtual state championship. He was named Everett's "Man of the Year" for 1952. Raymond Howell, director of music, is the man to whom this year's Nesika is affectionately dedicated. Roscoe C. Jenkins, head of the science department and teacher of physics, has taught many thousands of EHS graduates.

Bottom row: Miss Helen Lalin, as supervisor of the commercial department, supervises students working downtown. Under the leadership of Miss Marian Lowery is the home economics department and the cafeteria committee. Arthur Ramstad is director of the social science department whose teachers have each year encouraged many students to enter the P. I. history contest in

Seattle benefiting our library from their successes. He is our successful track coach, also. Miss Edmere Robarge heads the foreign language department, is adviser to the Junior Red Cross and popular chairman of the faculty social committee. Miss Mabel Thoreson is the art supervisor and her classes are responsible for the timely posters in the halls for games and dances. Noel S. Walther, head of the mathematics department, is also school treasurer and text book custodian.

ADVISORY SYSTEM

Last year a new advisory system was initiated in Everett High School. It has proved very successful. Each student is assigned to a faculty adviser. Students meet with these advisers throughout the school year.

In matters of scheduling, counseling, and general educational and personal advisement, the advisory system is used. The responsibility for making out and issuing report cards rests with the advisers. Many questions are answered for the members of the new sophomore classes. What rules and regulations should I know? How may I participate in the work of student body government? What are the traditions of Everett High School? These and many other topics of interest are discussed in meetings with the various advisers.

GROUP DISCUSSION EDUCATIONAL

The members of our Everett High faculty have proved their versatility in advising students in many group activities. In addition to teaching students in classrooms, they direct athletics and social affairs, and act as class and club advisers. As another school year draws to a close, they can look back with pride and realize that they have given the youth of Everett High School successful participation in a variety of school life experiences. Many who worked as advisers for clubs and classes found that they enjoyed working and planning with the students as much as the students welcomed their suggestions and ideas.

Did you know that Jack Bennett was Boys' Club president in 1935? And that Bob Cummins was secretary of the Boys' Club in 1940 and a Torch Society officer? He was on that famous 1940 basketball team; so was Jack Hubbard. Mrs. Nessel was a commencement speaker and winner of the Rotary Achievement Award. James Blue acted as a cheer leader in his junior year. William Dunn won Best Blocker Award in football.

THEY AID IN STUDENT ACTIVITIES

There are many world travelers on our faculty. When Mr. Theodore Cederberg, dramatic coach, visited Austria, he took a special interest in their dramatic productions and relates many of his experiences to his classes. Mr. Arthur Ramstad, who visited relatives on his trip to Scandinavian and other countries in Europe, found that school practices were much different from ours. Miss Stover toured South America two summers ago. Miss Ahlers is looking forward eagerly to her vacation in Europe this summer. Miss Tennyson will also be packing; she anticipates a trip through Mexico.

All teachers at EHS have shown their interest in the school by helping with its various extracurricular activities. A number of teachers joined our staff this year: Philip Zalesky, William Dunn, C. H. Johnston, Raymond Larson, William Langenbacker, Miss Martha Young; Miss Virginia Kleppe is school nurse and Mrs. Tiearney is our new stenographer. Walter Ylvisaker returned to EHS this year after teaching a year in Norway, while Roald Smith, his exchange teacher, spent the year 1951-2 here in Everett. Also returning from a leave of absence is Jack Hatlen. Miss Janet Smith worked for the army as a civilian and was stationed in Germany. Her travels took her to most of the countries of Western Europe. Her job was one that certainly might be envied by us all. Mr. Edward Ellis, Spanish teacher, found that extra schooling can be fun if you combine it with traveling. He studied at the U. and then took extra studies at the U. of Mexico and in France. He also found time to travel over eastern Europe and Spain.

STUDENTS IN SCHOOL GOVERNMENT

Through the years Everett High School has created and maintained a vigorously democratic student government. It is as up-to-date in legislative, judicial, and executive departments as are the governments of the state and the nation. Well worthwhile is the time the students take to carry on the responsibilities of governmental proceedings in order that the leaders of the student body and the school, also, may have some knowledge of the city, state, and national way of government. With the Associated Student Body Officers, the Student Council, the Executive Board, and the Board of Control, the students of Everett High are making an effort in their own sphere of school life to maintain the democratic country America is today.

GINGHAM TO

In its twenty years the Girls' Club has seen changes from gingham and calico to skirts and sweaters; but blue and white on Mondays is still a tradition. We are fast making the fall "Big Sister" Tea a tradition. After this year's party, the sophomores felt more a part of their new school.

This year the Everett High School Boys' Club completed its twenty-first year of active service to the school. Through the years, the Boys' Club has stood ready to offer guidance to boys of EHS and opportunity to participate in school affairs.

This year's officers, pictured right, are: Jack Mitchell, President; Lester Nelson, vice-president; Hal Bertilson, secretary; and Floyd Skinner, treasurer. Mr. Hatch is adviser.

Filling baskets for needy families, assisting with the popcorn machine sales, and decorating the tree in the main hall at Christmas were our joint undertakings with the Girls' Club this year. The Snowball, the winter semi-formal dance, was also presented by both clubs. After much planning, the Eagles' Hall was chosen as the place for this much anticipated dance, set for the night of January 31. The decorations featured a large snowball splashed with glittering silver; from it blue and white streamers descended.

A new Boys' Club pep section was organized for a reserved section at the games, and certain rules and regulations were drawn up so that the section would be uniform in appearance. All boys were to be cooperative and considerate at the games and follow all rules. The popular attire was blue denims and white shirts with long sleeves.

This year our rivals from across Puget Sound, Bremerton High, visited our school. They were hosted by our Cabinet during the afternoon of the Everett-Bremerton football game. They attended our pep rally where their letter was read by Doug Evans. They announced they had come to have "Roast Seagull" after the game; but they were out of luck.

Awards were given to those boys who showed much enthusiasm for giving service to the school during the year. The "Boy of the Month" award honored: Walt DeGroot and Clarence Nelson.

MANY IN TORCH SOCIETY

The Torch Council, pictured above, is composed of: Left to right, back row: Bill Dobler, vice-president, Don Semrau, secretary, Walt DeGroot, John Eisenburg. Front row: Bill Thieme, president, Noreen Potts, Nadine Schilling, Ellen Hagglund, Alvin Cripe. The Torch advisers at right are: Miss Isabelle Cuthbertson, Mrs. Lillian Barton, and Mrs. Esther McFeeley.

Through the years Everett High School has been proud of the large membership of E. H. S. students in the Torch Honor Society. The size of the society proves the scholarly ability of the Everett High students.

To become a member of the society a student must earn the required number of points. Points are given for the grades earned in class in the previous semester and for participating in certain school activities. By the end of the sophomore year a total of fifty points must be earned for a Two-Bar pin. Eighty points at least must be earned by the end of the junior year for a Three-Bar pin and a Permanent Torch pin is awarded if one hundred and ten points have been earned by the end of the senior year. A student is dropped from the society if a total of ten points is not earned in each semester.

Students appear at work and play. Find them in vocational classes (automotive, retailing, carpentry, cooking), choir, radio Engineering. In the center are Bellingham music participants. Isn't that Noreen? Putting your best foot forward, Potts? There's Tino—none of that now, Tino! What you waitin' for, Orlin?

Hey, Kord Kings. Catching flies, fellows? See Nesika students at the U. museum? Wasn't there a lot of talent in the Hi-Jinx this year? Oh, for the good old days of the Charleston. Are Jan and Sue dancing to "Barney Googie"? How far will Floyd drive that Hudson?

Pictured above are the members of the Nesika staff. They are, left to right, back row—Gary Theodorson, Floyd Skinner, Don Erickson, Gilbert Spurling, John Zuanich. Third row—Chuck Kent, Judy Jordan, Helen Flynn, Barbara Johnson, Jean Wilkins, Arlene Rassmussen. Second row—Christine Severson, Nadine Schilling, Corky Arntzen, Flora Whiteley, Carol Sorenson, Janet Larson, Kathy Easton. Front row—Mary Vee Martin, Barbara Nardinger, Desta Almgren, Elaine Prevost, Janice Hardison, Joanne Johnson, Phyllis Jensen.

Scenes below picture the Nesika staff performing the duties that each one of them has been selected to do. TOP PICTURE shows the "industrious" part of our staff. They cut out the proofs sent back by the engraver and glue them in our "dummy". Sometimes they get the urge to cut the paper in shapes of dolls. Naughty, naughty! The smiling faces in the BOTTOM PICTURE greeted you each morning and noon in the Nesika booth. They spent so much time there that it seemed like a second home to them. Toward the end everyone developed a severe case of writer's cramp.

Pictured above are the adviser and editorial staff. They are: Ruth Scougale, Elaine Prevost, Desta Almgren, Gilbert Spurling, Janice Hardison, Carol Sorenson.

JOURNALISM

The Nesika tradition goes back to about 1908. The title of our annual was chosen because, in Chinook, it meant "all of us." This year the staff has been reading about the early days of Everett High School in Nesikas forty years old. We have all realized the significance of the tradition that causes a handful of students to study for nearly a year how to present a true through-the-year record for the whole student body. Having had a second generation Nesika Staff member (Judy Jordan), we have become more aware of the continuity of the tradition we serve. Many Nesika workers are in the class of '53, the sixtieth graduating class. May they never forget that this year is a landmark at EHS.

Looking back later at this year's Nesika, staff members will see again Don E. and Mary Vee, Christine and Coral, Floyd and Gary who got into Eldon Root's old Hudson; also Elaine and Flora who wore gowns of the 20's; and bespectacled schoolmarm Carol who was ready to birch Gil Spurling's knuckles.

Desta Almgren and Elaine Prevost have proved ideally able to synchronize co-editorship. Their willingness and free use of their time and energy were deciding factors in the expeditious completion of the annual. Carol Sorenson, assistant editor, was in charge of the senior section; she scheduled 433 seniors' pictures, edited, composed and proofread all their lines. Gilbert Spurling, dummy editor, was invaluable in mounting section pages. Janice Hardison was a very conscientious copy editor. Coral Arntzen, business and advertising manager, and Christine Sieverson, circulation manager, proved entirely responsible and businesslike. John Zuanich, staff photographer, will be seriously missed next year. He has given us innumerable pictures reminiscent of the campus, assemblies and games. Charles Kent was responsible for the sketches in the book that highlight our theme. Many staff members deserve recognition for special assignments: Flora Whiteley for scheduling pictures, Gary Theodorson for typing (and willingness to do anything and everything). All members of the staff have been most cooperative with editors and the adviser.

During the year, members of the staff attended a workshop at the University of Washington, and visited the Everett Engraving Co., Puget Press, and Priebe's Bindery. The 1953 annual has, except for the Missourian cover, been wholly prepared by Everett craftsmen. The studio and group photography was done by "Bud" Harless of Budd's Studio. George Backlund did free-lance photography.

Pictured above are the adviser, editor, and editorial board of the Kodak. They are: Denzil Walters, Tino Sousanes, Beverly Chapman, Marcia Castle, and Beverlea Bernard.

TRADITIONS

In 30 weekly issues and 250,000 published words, one senior class labored earnestly to keep Everett High School in touch with the march of events.

Tino Sousanes, Kodak editor during the first semester, capably handled make-up problems, covered top news stories as they occurred, and contributed serious interpretative news features. A mid-year graduate, Tino continued the study of journalism at the College of Puget Sound and the University of Washington.

An editorial board composed of three girls, Beverly Chapman, Beverlea Bernard and Marcia Castle, directed the destinies of the Kodak during the second semester. In turn each guided Kodak make-up and coverage. Each also held down other regular positions, Beverlea Bernard as managing editor, Marcia as associate editor, and Beverly Chapman as feature editor.

Stu Romaneschi, a one-man sports staff, assigned stories, then did the footwork himself. Sports in season, he covered them all, adding interpretative details in a weekly column. In times of stress he called upon students in the beginning news-writing class to widen coverage.

Karen Cole, exchange editor, filed incoming papers for research and handled mailing of the Kodak. A familiar picture was Karen carrying an armful of Kodaks to the post-office each Friday.

The business side of the Kodak was directed by Sylvia Crowley, efficient business manager. Pat Van Der Staay, a junior who distinguished herself early as an energetic salesman, was second semester advertising manager. Marilyn Alm-gren served as assistant manager.

Reliable reporting marked the contributions of Donna Omodt, Sharon Harmon and Donna Gallagher. In the second semester Sharon specialized in music and drama reporting.

Two photographers, John Zuanich and George Backlund, hit a fast pace in meeting picture assignments. John proved an invaluable man in the technical phases of the lithographic process by which the Kodak is produced. He took over the making of page negatives from Art Childs, mid-year graduate.

Deadlines became crucial considerations in the daily lives of Kodak students in realms other than reporting. The composing staff, besieged by advertising solicitors and editors all wanting something typed in a hurry, came to take pressure as normal procedure. The Kodak relied heavily upon the talent (and good nature) of Gae Thone, Jacky Maynard and Marianne Kravik.

Five production crew members graduated this year. They are Orlin Griggs, Dennis Shanahan, Floyd Skinner, Stu Romaneschi and Jim Thompson.

The pictures below show the Kodak staff working "furiously" to turn the wheels that produce the paper the students of Everett High receive each Friday afternoon. TOP PICTURE shows the composing staff racking their brains for humorous jokes and social notes of interest to make up the columns of their paper. The production staff, BOTTOM PICTURE, has the job of keeping the press and other intricacies of the machines used in good working condition. Messy clothes and dirty faces seem to be the trademark of these industrious fellows.

ORCHESTRA PLAYS INTEGRAL ROLE

A practical undertaking of the band this year was the drilling for the downtown merchants on Monday evening. Members of the band, at RIGHT, are: Back row—Billesbach, Graham, Hanson, Ingram, Hevly, Murdock, Johnson, Heckendorf, Bonner, Gilberts. Third row — Hinchcliffe, Osborne, Cripe, Munson, Benson, Bradshaw, Vanderway, Whitehead, Pedigo, Meyer, Kittelson, Powers. Second row — Brown, Hauck, Stobbe, Davis, Dudley, Hanson, Kahns, Campbell. Front row—Wilcox, Fonck, Gilberts, McKenzie, Joy. In front — Drum major Howell, majorettes, Joyce Williams, Eileen Blackmore.

Raymond Howell and Ridgley Bird, music instructors, in band costumes of the past.

Orchestral selections have added to many school activities presented this year. Members of the orchestra, at RIGHT, are: Back row—Smith, Howlett, Veland, Bond, Hanson, Ingram. Third row — Sanford, Youngquist, Trautman, Lambers, Fulton, Sonneveldt, Westmoreland, Newton, Fonck, Brown. Second row—Gundersen, Blomberg, Nunn, Frydenlund, Bradshaw, Hinchcliffe. Front row: Howell, Egelkrout, Wilcox.

Peppy, talented, enthusiastic, and energetic—all these describe our band. Under John Howell, snappy drum major, the band joined forces with the Seagals to present entertaining stunts at the football games. One of the most impressive was the Memorial Game ceremony when, the Everett Elks co-operating, the story of our flag was presented. Other colorful maneuvers included forming a hula girl, hut and palm tree; and at election time a donkey and an elephant were featured by the drill team and band. When Thanksgiving rolled around what could be more fitting than featuring a turkey dinner? At every football game this group of music mongers was on hand to furnish entertainment for the rooters and to boost our boys toward the goal-line.

Although the band works primarily as a unit, there are a number of individual talented members. Several attended the Western Washington Solo Competition at the University of Washington, February 21, and received the following ratings: Judy Hevly, superior; Colleen Wilcox, Frances Fonck, Janet Hinchcliffe, Pat Jacobsen, Sharon Dudley, excellent; Otis Doughty and Steve Mosman, good.

Since our EHS band won the sweepstakes in Wenatchee at the 1952 festival, the Apple Blossom Festival Committee made Everett the honor city for the 1953 pageant. In March, the Apple Blossom Queen presented a banner to the EHS band to commemorate this distinction. At Wenatchee in May, the band and Seagals entertained onlookers with their well known "Dixieland," "Two to Tango," and "Hesitation." The marching teams showed excellent precision in the parade and on the drill field.

The success of the spring concert held May 22 was due largely to the efforts of the band members. At the graduation exercises the band played its traditional part by its performance of the processional and recessional.

SCHOOL IS PROUD OF ITS BAND

Band members at LEFT are:
Back row — Gilberts, Wilson, Cook, Money maker, Harless, Harlander, VanWinkle, Noble, Cort, Mosman. Third row — Hansen, Kooistra, Pierce, Lanning, Willis, Hall, Cyr, Bowles, Hansen. Second row — Swan, Totey, Nielsen, Johnson, Ackerman, Doughty, Ekstedt. Front row:—Egelkrout, Runyon, Erickson, Stallings, Cripe. In front — Majorettes Phyllis Price, Laverne Donaldson.

The high school orchestra has been an integral part of many auditorium presentations this year. This group successfully participated in the Hi-Jinx, Christmas assembly, and the senior play.

Many orchestra members, February 21, traveled to the University for a competition in which they received these ratings: Superior, Amy Jo Blomberg, Diane Egelkrout, John Howell and Mary Gunderson; excellent, Jim Sanford, Annette Gerry, Janet Joy, and the string quartet. Representing Everett High in the Northwest Music Conference in Bellingham were Amy Jo Blomberg, Diane Egelkrout, John Howell, Janet Joy and Noreen Potts.

Probably the most important occasions for this group were the May Music festival held May 1 and the Spring Concert, May 22. With skill that might well grace a more experienced organization, some of the greatest works in the realm of music were presented. Schumann's "Concerto" at the Spring Concert featured three seniors as soloists: Judy Bond, Doug Evans and Noreen Potts.

The music for Baccalaureate, May 31, was provided by the orchestra. It was a fitting climax to a successful and enjoyable year for everyone connected with the orchestral department.

Pep Band members, we enjoyed your "Bleacher Boogie," the peppiest yell in a long time. ABOVE are: Back row—Gilberts, Hanson, Ingram, McKenzie, Erickson, Bonner. Third row: Cort, Mosman, Joy, Runyon, Egelkrout. Second row—Cripe, Stallings, Ackerman, Powers, Swan, Howell. Front row—Gilberts, Hinchcliffe, Fonck, Wilson, Dudley, Hanson, Lanning.

Orchestra members, at LEFT, are: Back row—Evans, Thurlow, Erickson, McKenzie, Wilson, Mosman, Eddy, Money maker, Ekstedt, Stallings, Cripe. Third row—Kittleson, Egbert, Dudley, Colvin, Palmer, Gaurfin, Nelson. Second row—Runyon, Eakins, Hevly, Emilson, Knutson. Front row—Arnevik, Gerry, Joy.

CHOIRS' MUSIC INSPIRATIONAL

The choral groups of Everett High will have pleasant memories through the years of the many programs they enjoyed presenting. This year Miss Norma Ringman directed four groups—an a capella choir, girls' glee and two mixed singing groups.

At a Halloween assembly the highlight was the choir's rendition of "Jack-O-Lantern." They surprised us with a finale of a line of lanterns being swung—out of time! When the lights went up, whom should we see but a motley group of football players and a coach for good measure.

The final act of the TV Hi-Jinx brought the a capella choir into focus with "I Went To Your Wedding," "In the Still of the Night," with Ron Frasier as soloist, and "Begin the Beguine." This last song featured fluorescent paper decorations lit by black lights; even the gourds and sticks were afire and the atmosphere was eerie.

During December, individual choir members participated in the annual, city-wide presentation of Handel's "Messiah." Twenty members of the choir became Old English carollers to sing for many of the local clubs. For our Christmas program the members of the Girls' Glee holding candles lined the stairways to the stage so that they framed the stage with its gaily decorated trees. Led by the a capella choir which had sung inspiringly, we all joined in a moving pageant of the traditional music of the season. Don Dawson read the Christmas story.

In January the choir performed for the Boy and Girl of the Year banquet of the Exchange Club. A contest at the Jane Addams Junior High School on February 21 attracted many soloists and choral groups from different schools. Our competing vocalists received these ratings: Jane Egbert, Ron Frasier, Vern Gildroy, good; Mary Trafton, superior; Kord Kings, superior; and choir, excellent.

From five states came competition for our singers in March as they attended the Northwest Music Conference in Bellingham. Representing EHS choirs were Don Semrau and Ron Frasier. Music for the Easter season was presented for many of the service clubs in Everett.

April 24 brought the choral concert to the foreground. All of the choirs participated in this production. Their concert numbers ranged from the semi-classical "Old Ark's A-Moverin" to the popular "Sound Off" presented very cleverly by the Seagals, for which Miss Ringman is drill adviser. Many seniors from the choral groups took part in the annual May music festival which was held in Everett on May 1.

HI JINX PRESENTS QUEEN TV

One of the miracles of the century is television; this served as the theme for the 1952 presentation of Everett High's annual Hi-Jinx program. Tom Anderson did a professional job as Emcee. MAIN ACTS were, ABOVE: First place—Charleston number (Estrelita Chptr. of Horizon). Second place—"Beat the Clock" (Seagals). Third place—"Stan Bore-some" (Quin Qua Tri-Hi-Y). IN-BETWEEN ACT winners were: First place—"Young Man With a Horn" (Clyde Stallings) and the "Clarinet Trio" (Fred Brown, Janet Hinch-cliffe and Francis Fonck); Second place—"Three Men in a Tub" (Don Swan, Don Sem-rau and Bill Dobler); Third place—Senior Chorus Line (Wow!).

"This is your Everett High Hi-Lites." Heard that before? It's the Radio English class under James Brooks introducing another Wednesday evening program at KRKO. Parents and students alike make the listening audience. Programs vary from special talent numbers, educational skits, local high school news to on-the-spot broadcasts, holiday programs, and interviews. In addition to the 15-minute weekly radio program, they have read announcements on the school's morning and afternoon broadcasts. This class sponsored the impressive Homecoming Coronation and the memorable moving-up assembly held at the end of the year.

Members of the class are as follows: top right, back row—Jim Ennis, David Martin, Dick Frahm, Jack Schultz, Marvin Pickard, Hal Bertilson, Bob Williams. Second row—Carol Carlson, Mary Agnes Trafton, Dolores Monteiro, Marie Melton, Betty Schreiner, Karen Granstrom, Carolyn Weinz, Anne Putney. Front row—Pat Pearson, Sylvia Crowley, Nancy Casperson, Arlene Begg, Louise Miller, Muriel Orren, Goe Thone, Deloise Aanderud, Corky Arntzen.

ORAL ARTS ARE VITAL PROGRAM

DRAMA

The "Green Room" is the name that EHS drama students have given their own classroom theatre. It is taken from the exciting place in the Shakespearean theatre where players costumed and possibly gossiped about their fellow players. These "Green Room" productions by the fourth period drama class were made enjoyable to both young and old. During the year have been presented more than a score of one-act plays, as well as longer plays. A balanced program of dramatic activity is enjoyed each season with comedies, classics, farces, pageants and fantasies. Original plays are also written and produced. A good example of this is "The Inside Story" written by its cast.

At times, the drama class, under the direction of Mr. Theodore Cederberg, presented their plays in arena style. This was done so that an air of excitement and reality could be created. Many guest classes, including English classes, Art classes and the Nesika class, saw the presentations.

Pictured above RIGHT, second picture down: Lois Lawton, victim, Gerald Snider, assailant, and Gary Payton, hero, coming to her rescue. Those seated are, left to right: Pat Parks, Jim Ennis, Sharon Harmon, Gary Gillespie, Jane Carver, Jerry Mooney, Claudia Councilman, and Pat Kelly.

DEBATE

The Everett High School debate team has attended several meets this year. With coach Janet Smith's help they have changed from an inexperienced group to a sharp debate squad. The team went to Mount Vernon, then to Snohomish for practice debate sessions. Then the team traveled to Bellingham for the district tournament for debaters. Everett also had a debate clinic here at our high school to include Arlington, Snohomish, and Edmonds.

The year's high point of interest was the state-wide conference at the College of Puget Sound, Tacoma, in March. This lasted for three days and it was here that the debate team met the state's best teams. They debated with six other schools, contesting three negatives and three affirmatives on the national topic of the United Nations. Martha Chalmers, Archie Douglas, Jane Egbert, June Graves, and Sherill Harrison were in interpretive reading and Flora Whiteley in oration. At the University of Washington speech festival in May, Alice Caton, Jean Anderson, and Viola Reidenbach participated in group discussion and Jane Egbert and Herb Hyde read in oral interpretive speaking. Our representatives deserve a great deal of credit for their work and enthusiasm.

QUEEN WELCOMES GRADUATES

Signifying Royalty of Everett High School for 1952 is the crown of the Homecoming Queen (pictured above) laid on the fair hair of Betty Hoglund by student body president, Doug Evans, in an impressive ceremony last October 10 in the auditorium. His presentation of roses was followed by the presentation of colonial bouquets to her princesses, who are shown above, left to right, Karen Cole, Carmen McCumby, Sharon Craig, and Noreen Potts. Turn to page 56 for a picture of the queen, princesses, and their escorts.

The crowning ceremony took place two weeks before the actual Homecoming week and the queen and princesses visited various community clubs. Queen Betty visited the Quarterback, Rotary, and Kiwanis Clubs. Princesses Sharon and Carmen spoke at the Exchange Club while Princesses Noreen and Karen spoke at the Lion's Club. Betty invited the townspeople and alumni to all the Homecoming festivities and to the Old Grads'

Night, feature celebration of our Sixtieth Anniversary Year, 1952.

The night of the traditional Homecoming game, October 24, the queen and princesses led the car rally to the stadium (below right), where Queen Betty ignited the bonfire to burn Lincoln High in effigy. A capacity crowd saw Everett High School lick Lincoln High School by a score of 40-6. During halftime Betty welcomed old grads back with her winning smile and sincere short speech (below left).

At a dance held in the gym following the game, Betty was presented with a box of candy by student president, Doug Evans. The student committee that worked on the dance and decorations was composed of members of both Boys' and Girls' Club Social Committees. The decorations were colored balloons and paper streamers strung from wall to wall. The gay and decorative dance brought to a close the Homecoming festivities for the year of 1952.

OLD GRADS NIGHT

CLASS REUNION-PROGRAM-REFRESHMENTS

GRADS!

Present students of EHS (David Richardson, Tammy O'Dell, Mamie Diedrich, Bert Fadich, Carol Sorenson and Janet Larson) are pictured surveying the "back-to-school" invitation displayed on the auditorium billboard last fall. It is not by a quirk of fate that a reflection of the main building is seen in the ticket window. That main entrance on Old Grads' Night received many graduates who were happy to toss away years and return to these friendly walls once so familiar to them—as familiar as they are to us.

The organization of Old Grads' Night was in the hands of Miss Florence Tennyson, Everett High history teacher, who was general chairman for the event and had the huge job of contacting graduates of EHS all over the country. On the night of October 23, a large assembly of graduates, from 1899 to 1952, came back to school and received enthusiastically a program in the auditorium.

Below are some flashbacks of the night of October 23. TOP ROW, left to right, shows some early grads amusingly occupying seats of honor in Room 1. Senator Howard Bargreen talks outside Room 10 with a friend and Mr. Edwin Pittmon shows his 1899 graduating certificate to

Eddie Morrow, 1952 graduate. SECOND ROW recalls the happy program, emceed by TV star and EHS graduate, Stan "Aunt-Frieda's-enjoying-good-health" Boreson. Left to right are Lois Snoeberger and Liberty Peterson, who sang some of their favorite songs, such as "Dearie" and "Apple Blossom Time"; Betty Spooner and her son, Mike Jordan, who delighted us with their solo and companion tap dancing; Stan; and Miss Florence Tennyson, who receives a corsage from Doug Evans on behalf of the student body for her indefatigable efforts in planning such a successful event. BOTTOM ROW: Henry Jackson (now U. S. Senator) and Jack Westland (now a Congressman) recalled many high school memories for us. The student committee assisting Miss Tennyson was, Back row: Chuck Kent, Doug Evans, Don Rider. First row: Judy Bond, Janice Kolts, Sharon Craig, and Don Dawson.

Old Grads' Night was certainly a memorable evening.

SENIORS: FATHER PRESENT OF THE BRIDE

"Father of the Bride," Herb Hyde, looks disgusted with lovebirds, Hal Bertilson and Beverlea Bernard; even director Cederberg seems skeptical. The play's story is pictured above: the unexpected engagement is announced; smooth Mr. Massoula is hired to cater; father is plagued by irrepressible Tommy; and Delilah the maid is overcome by her emotional excitement. Taking a curtain call is the whole cast: Richard Frahm, Gerald Snider, Gary Gillespie, Gae Thone, Bill Kasch, Jim Ennis, Hal Bertilson, Herb Hyde, Beverlea Bernard, Carol Carlson, Leland Hansen, Muriel Orren, Janice Hardison, Gary Theodorson, Virginia Alcorn, Don Rider.

"EVERYBODY DANCE!"

Royalty at EHS 1953 dances were: Bev and Floyd at the Junior Prom; Dale and Sharon Anderson at the Tramps' Trot; Kitty Stole, DeMolay sweetheart; Shirley and Gary, Cupid's Couple. At left is the Junior Prom committee. 31

SPORTS

ARTS

Athletics at Everett High receive hearty support from athletes, cheer leaders, coaches, and spectators. In evidence everywhere on this page is the enthusiasm of boys training, and excitement and tension of yell groups. On the wrestling mat we see Kurt Von Poppenheim, better known as Jim Ennis, and "Gorgeous George" Trana all tangled up. Golfer Abrahamson's drive seems off-center. Richard Pratt — the ideal caddy! Lester Nelson receives the football inspirational award. The EHS band takes a banner from Wenatchee's 1933 Queen. The "Seagal" old fashioned drill team and yell squad are old time sports—peppy then, as now.

'EM SEAGULLS

Cheering the Seagulls on to victory were Darlene Larios, Mamie Diedrich, Tammy O'Dell, Dave Richardson, and Bob Williams, while our peppy song queens Arlene Austin, Phyllis Jensen, Betty Hoglund, Noreen Potts, and Shirley Jokinen led our songs. Jan Holmstrom, drill leader, directed the Seagals in many intricate drills for half time entertainment.

Under the guidance of Miss Birrell Dinnetz (left), the Girls' Athletic Club has promoted many activities.

Second semester, front row: Joetta Bates, president; Janice Smith, vice-president; Mary Gall, secretary; Joy Newton, treasurer; Roberta Heckendorf, sergeant-at-arms.

Events of the year have been, first a slumber party at the school gym honoring potential members; then came a splash party, an installation banquet, and the Letterwearers' picnic. A play day honored GAC's of neighboring schools and senior girls interested in majoring in P. E. visited the University of Washington.

Each major sport was coached by two girls, the minor sports by one. The following girls helped in coaching and supervising turnouts: kickball, Joetta Bates, Mary Gall; volleyball, Janice Smith, June Clemetson; basketball, Ber-

Delores Lockie was champion over ninety girls that participated in the ping-pong tournament. Hard-working Sharon Scott and Jeanette Ritchie won the doubles tournament.

Some GAC members showed interest in golf, practiced hard, and achieved good results. As basketball turnouts took place, other teams just couldn't wear down Roberta Heckendorf's senior team, second picture down, page 42. Third picture down, page 42, kickball, the first major sport of the year, was a good starter for the GAC's season of activities, Marillen McChesney's team, top right, page 43, walked off with first place in the kickball games. The juniors and seniors claim the success of this sophomore kickball team was due to their frequent practice in the gym. The gals, second picture down, page 43, really got a dose of sore muscles and stiff joints, but they felt well rewarded when they were given a new uniform and a place on the tumbling team. Sophomores under Gloria Nunn, captain, third picture down, page 43, deserve another pat on the back, because they were volleyball champions.

SEAGULLS UNDEFEATED, UNTIED

Coach Jim Ennis and Captain McAninch talk tactics.

"A coach's dream team" could well be the name applied to the 1952 football team of Everett High School. The high flying Gulls nonchalantly chalked up a season of being undefeated and untied. Their performance was much like that of the famous team of 1920.

It was no easy trick to build up a champion team like the Seagulls. It took hours of hard practice and careful supervision. The team and coaches have brought real honor and fame to the name of Everett High School.

A pre-season game held at Renton gave the Everett fans a preview of the mighty forces of the Seagull team, for they came through with a 20-0 win. Another non-league game followed with Everett sending their toughest rivals, Bellingham, home defeated. Everett won 34-13. When the Seattle Prepsters visited Seagullville, the local lads again showed their power and determination, winning 33-6.

Bremerton was next on the Gull's calendar and once again the "Flying Swede" and his teammates trounced a hopeful team with a 33-7 score. After traveling across the mountains, the Gulls whipped the Wenatchee team—41-13. Perhaps the season's turning point came with the game against the Lincoln Abes of Tacoma. After a week of hard, long turnouts the Golden Gulls marched victoriously over them, 41-6, while an overflowing crowd watched.

When the Seagulls faced the Bellingham Raiders again, the Raiders took the initiative, but in the second half the Everett boys hit their victorious stride to score a 26-0 win. Our last scheduled game, with Stadium, proved to be a repetition of previous games, with the Seagulls winning 20-0.

Certainly the most exciting game of the year was a post-season game played on Thanksgiving Day against the Franklin Quakers of Seattle, unbeaten in their season schedule. A capacity crowd at Seattle Memorial Stadium watched the mighty Seagulls rise over a 7-0 first half lead by Franklin to win by two touchdowns, 26-13. Outstanding features were an 83-yard run by Wes Nelson and some beautiful passes executed by Dan Michel.

Coaches Dunn, Cummins, and Langenbacker hold "Team-of-the-Week" trophy

With the "Flying Swede," Wes Nelson, the master quarterback, Dan Michel, the bullet passer, Chuck McAninch and the hustling halfback, Les Nelson, it was no wonder that they were deemed the "dream backfield". To make an ideal situation, the Gulls had a superior line and defensive unit. The Ennis-men were never on the losing end of the score and usually were in front of their opponents by a large margin.

Cross-state champs and virtual state champions! What a wonderful end to a football season! There seemed to be no way for our rival teams to halt the Gulls. This football season will be one that won't be forgotten!

Pep and enthusiasm showed at every game, not only on the team, but also in the rooting section. The student body and the alumni were solidly behind our team and cheered their favorites on to their many decisive victories. The half-time entertainment was provided by a well-tutored band and drill team. Throughout the season, the band under the direction of Raymond Howell and the drill team under Jan Holmstrom performed outstandingly.

At an assembly held in the team's honor, special awards were presented to deserving team members. Wes Nelson won a coveted place on the All-American team and was invited to play in Tennessee in August. Lloyd Rodstrom, sports editor of the "Everett Daily Herald," presented the Skip Taylor Team-of-the-Week award to Coach Jim Ennis. Paul Radke, former Everett High teacher now residing in California, won an honorary letter for his interest in EHS and its sports' activities. The Cross-state champions award was presented to Doug Evans, A. S. B. president. He was also presented with the football, inscribed with the names of the team, as a souvenir of the Turkey Bowl game. Captain-elect for next year was announced as Bill Randall. Mr. Ennis said that the student body has much to look forward to next year in football, as all things point to the possibility of having another A-1 team.

Baby Gull awards were presented by Mr. Langenbacker and Mr. Cummings. Second team awards to Vic Hussey, Larry Cyr, Bill Benson, Clarence Nelson, Walt Antak, Dick Almvig and Jim Linden were presented by Mr. Ennis.

CASABA TEAM SHOWS SPIRIT

The Seagulls, under the guidance of Coach Jack Hubbard, had a non-conference score of three wins and six defeats, against a conference score of three victories and seven losses. This record does not impress at first, but we are proud of our spirited team. Coach Hubbard praised the boys' "desire" to win and hard-fighting qualities. They gave us exciting games.

The inexperience of the casaba team showed in the early games of the season. As they went along, the Gulls showed a great deal of improvement, beating Wapato, Wenatchee, and Cashmere. In non-conference play the Gulls had been defeated by Snohomish twice, Renton twice, and White River. At this time the Everetts were not expected to cause any trouble in conference play; but the Golden Gulls started conference play confidently, defeating the highly favored Bellingham Red Raiders. Everett played Lincoln of Tacoma next and suffered a defeat. The Gulls could not be kept down, for next they won a thrilling overtime game from the Seattle Prep Panthers. The Bremerton Wildcats were the Hubbard-tutored men's Waterloo; we were beaten twice by the Navy City team. Defeats followed by Bellingham and Seattle Prep. Our Seagulls showed their determined spirit by beating Stadium, but on their return match, the Gulls met defeat. The final losing game of the conference season was played with Lincoln of Tacoma.

We traveled to the neighboring gym of Snohomish to play Edmonds. If Everett defeated Edmonds in the first game, we were entitled to go to the district tournament, but if Edmonds overthrew us there would be another game played. The winner of

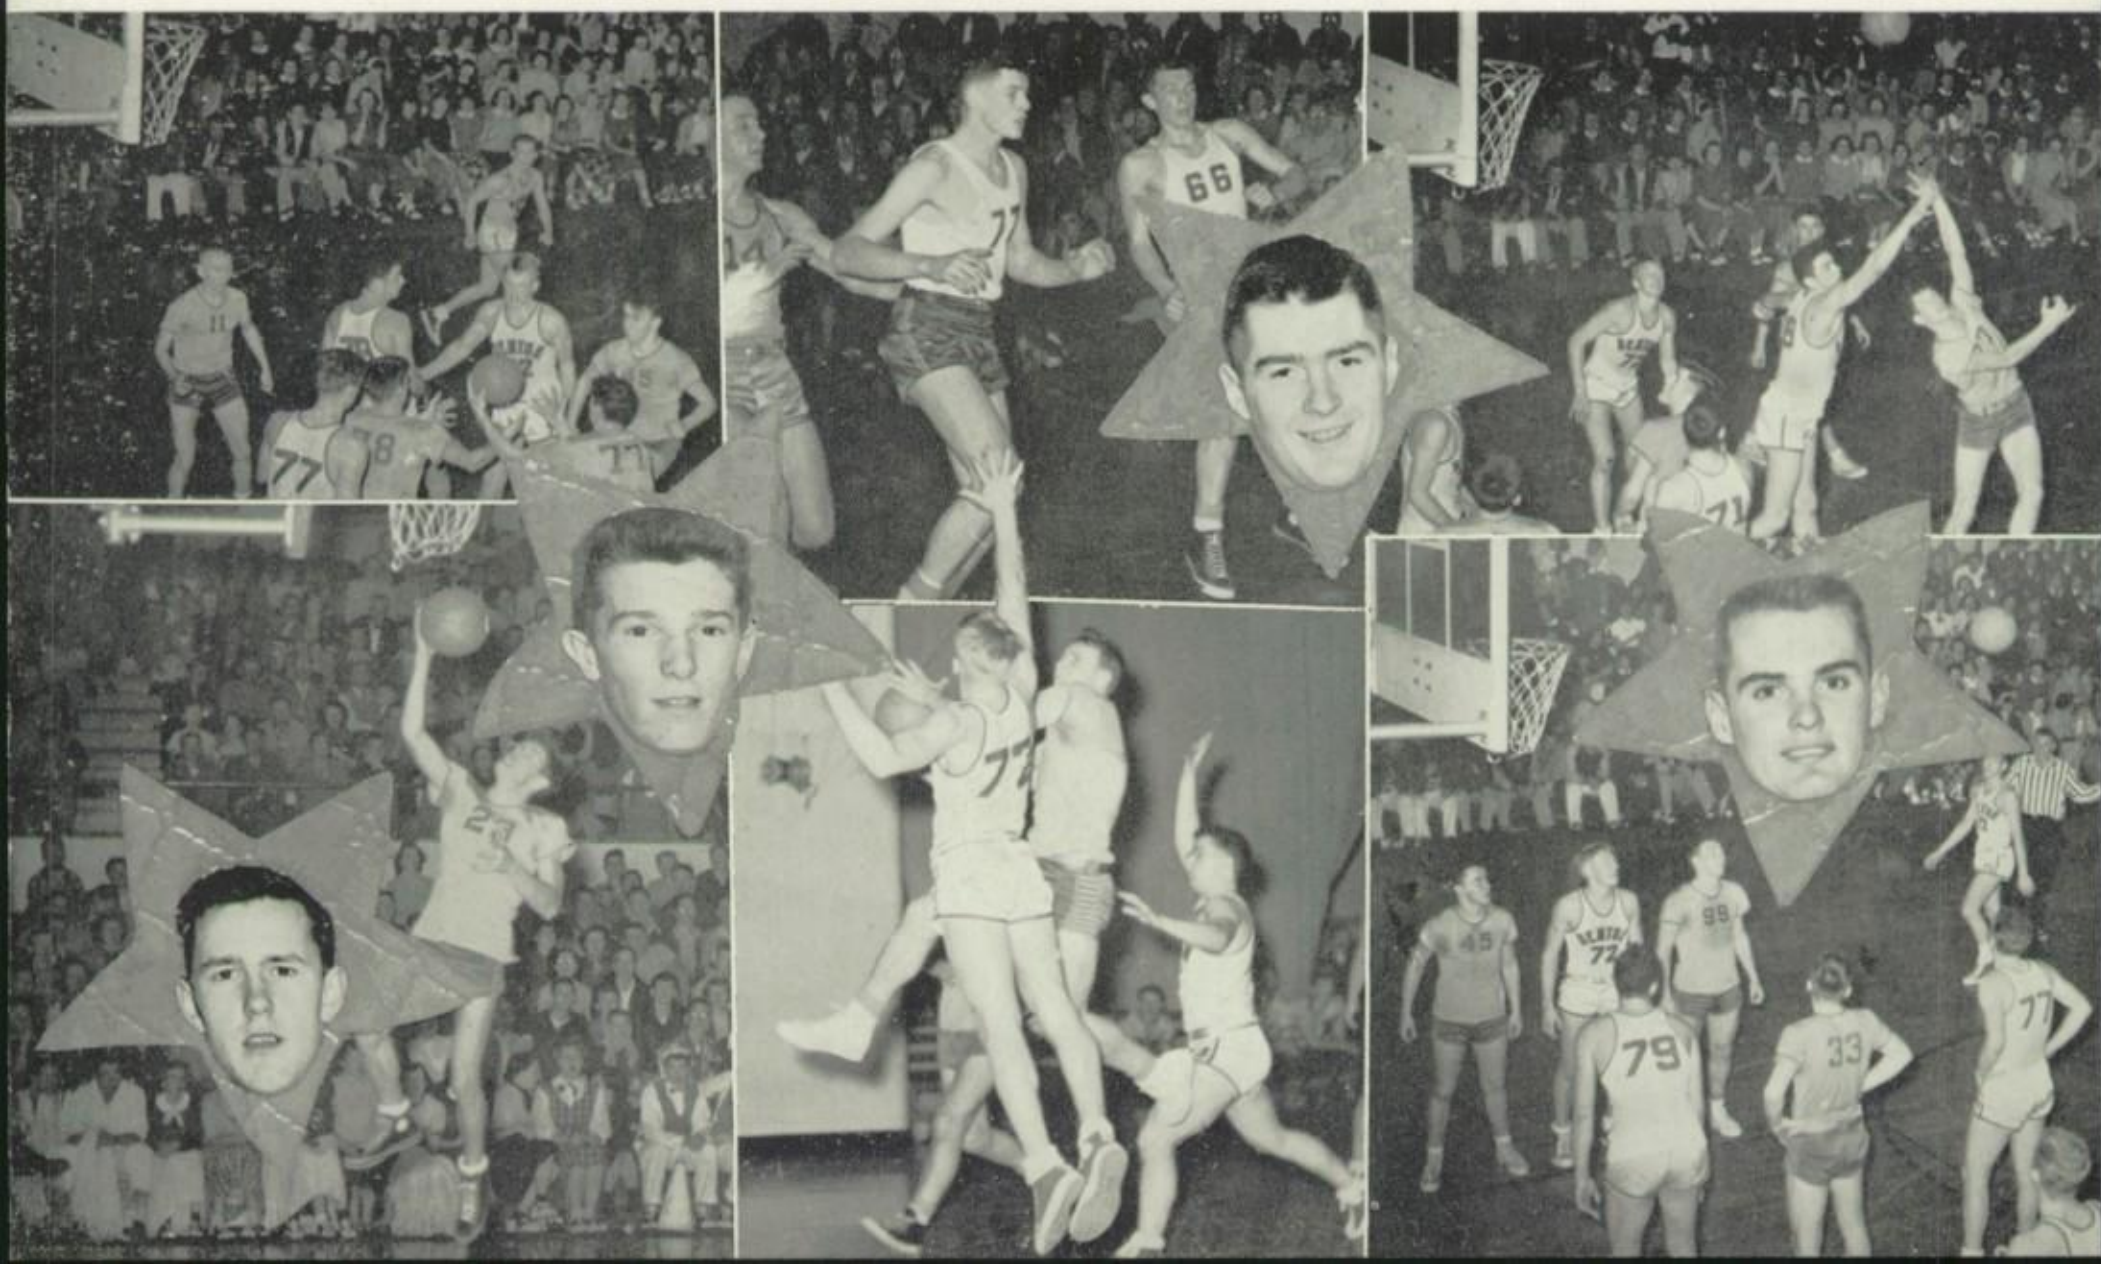

two out of the three games won a place at Bellingham. By beating Edmonds, Everett won the right to enter the district playoffs. We drew the Blaine Borderites as an opponent, and it was only in the last seconds of the game that Blaine scored the two points to win from the underdog, Everett. The Seagulls still had a chance to go to the State Tourney, but that was forfeited when we lost to Lynden, again by two points.

The Gulls showed the spectators that they were never through fighting. No matter what the score was, we could always count on the team, and a lot of credit goes to Jack Hubbard for training the boys so well. No team can succeed without a good coach, and the team spirit he inspired stayed till the season's end.

The Gulls are losing valuable senior lettermen from the team—Danny Michel, Captain Chuck McAninch, Chris Sievers, Bill Dobler, and Bill Thieme. The team, however, has returning lettermen Pete Cupic, Bill Wilkerson, Lee Hudson, Dick Hanson and Herb Anderson. At the awards' assembly Bill Dobler received the trophy for the best scholastic standard and Chris Sievers accepted the inspirational award.

So another basketball season came to an end. Our boys, by their tenacity, especially when on the losing side, showed true sportsmanship, and have thereby been worthy of high praise for school spirit.

Varsity squad below, starred, left to right: Dick Hanson, Pete Cupic, Danny Michel, Orlin Griggs, Bill Dobler, Chuck McAninch, Chris Sievers, Bill Thieme, and Coach Jack Hubbard. Not pictured, but seeing action, were lettermen Bill Wilkerson, Lee Hudson and Herb Anderson.

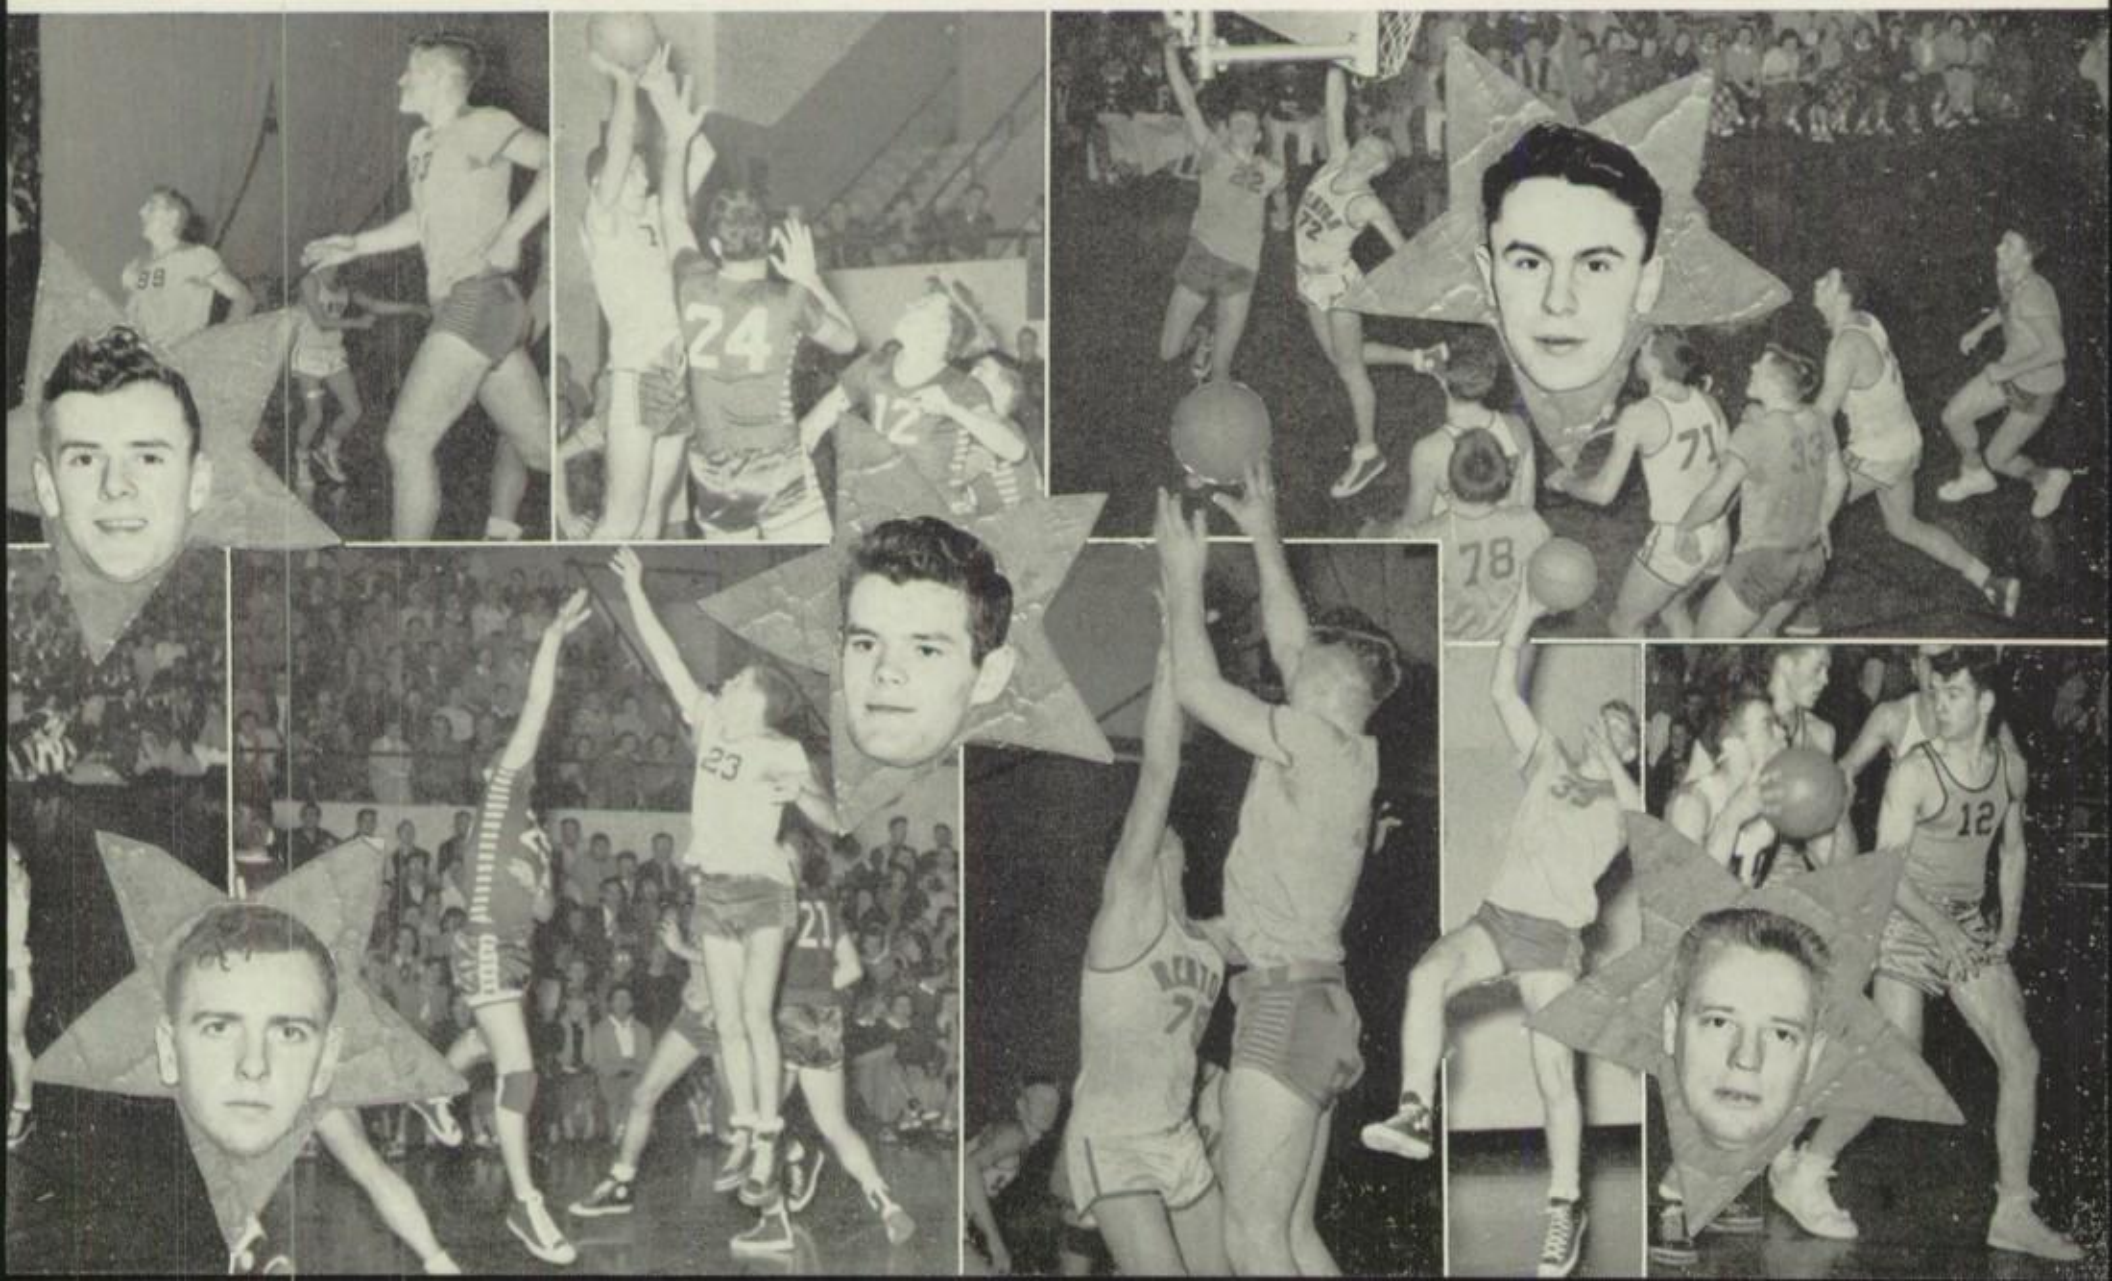

The Baby Gulls' basketball team members have shown that they truly come from a school of champions. They won the Lakeside League championship playing Tolt, Tacoma and Lakeside. The Baby Gulls have shown never-say-die spirit and have had the determination and will to come through on the winning side. The Gulls are coached by Bob Cummins. Under his leadership they have made great strides. Coach Cummins is very proud of his players, saying that they co-operate very well at all times and will go on to be outstanding and sportsmanlike players. They play best when under a strain; the capacity of these players to

keep calm and not to get tense in shooting for baskets has been proved. At an award assembly second team letters were awarded to all members of the team.

TRACK TEAM, PROUD

Above are Coach Art Ramstad and 1953 track captain, Chris Sievers. The Ramstad-coached tracksters swept to a very successful season, placing first ahead of Bremerton in the Cross-State meet, 54 to 32; this meet was held under lights May 1 at our Memorial Stadium. The County meet May 9 saw Everett again in first place with 83½, highest total ever in County meets.

Record-breaking marks were set by the 1953 Seagull cinder squad. The thin-clads opened their season in April with a meet with Renton and Sedro-Woolley at the Memorial Stadium, winning 76 to 30. The next week Bellingham, cross-state rivals, bowed to the Gulls' power, the tally being 73 points for Everett. During the two weeks following, they scrubbed the Wenatchee Panthers 72 to 50 and then swept the Sedro-Woolley Relays. The final scores were Everett 53, Bellingham 42½, Mount Vernon 19, Ferndale 14, Sedro-Woolley 12, Blaine 6, Snohomish 3, Nooksack Valley 3, Lynden 2.

In the record department, the relay team, Bob Hanson, Gary Sugar, Gordon Johnson, and Floyd Skinner, broke relay records at Sedro-Woolley for the 880 and 440. John Howell broke the Stadium record in the high jump—Skinner, in the 100-yard dash. Veterans of last year's state team are: Gary Sugar, hurdles and relay; Gordon Johnson, sprints and relay; Chris Sievers, hurdles; and John Howell, high jump and hurdles, this year's best. Others who have attracted attention are: Bill Kasch, miler; Bob Hanson, 440-yard runner; Dell Littfin, high jumper.

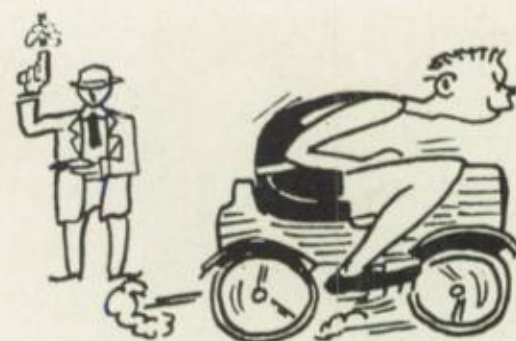

In action ABOVE, Chris Sievers jumps 12 feet 6 inches. Floyd Skinner wins a 100-yard dash, with Gordon Johnson a close second. Hurdler Gary Sugar displays perfect action; Jim Siler heaves the javelin. Page 51, Skinner carries the winning baton. Larry Cyr clears the pole vault cross bar. John Howell, star hurdler, shows determined action, typical of his season's unbeaten performance in hurdles. Bob Hanson, Dick Almvig, and miler Bill Kasch ran far for the 1953 team.

Track team for 1953 is: Back row: Dawson, Linden, Swanson, Sugar, Mowbray, Kimbell, Joyce, Zuanich, Hanson, O'Hare, Knutsen, Fortson, Kent. Second row: Wilson, Hussey, O'Farrell, Cooley, Siler, Howell, Cyr, Almvig, Hudson, Slavich, Zimmerman, Brown, Hanson, Dire, Miller. Front row: Swan, Kosbab, Mahlum, Semrau, Johnson, Hutchings, Kasch, Skinner, Sievers (captain), Lane, Hansen, Kohne, Christianson, and Brown.

CROSS-STATE WINNERS

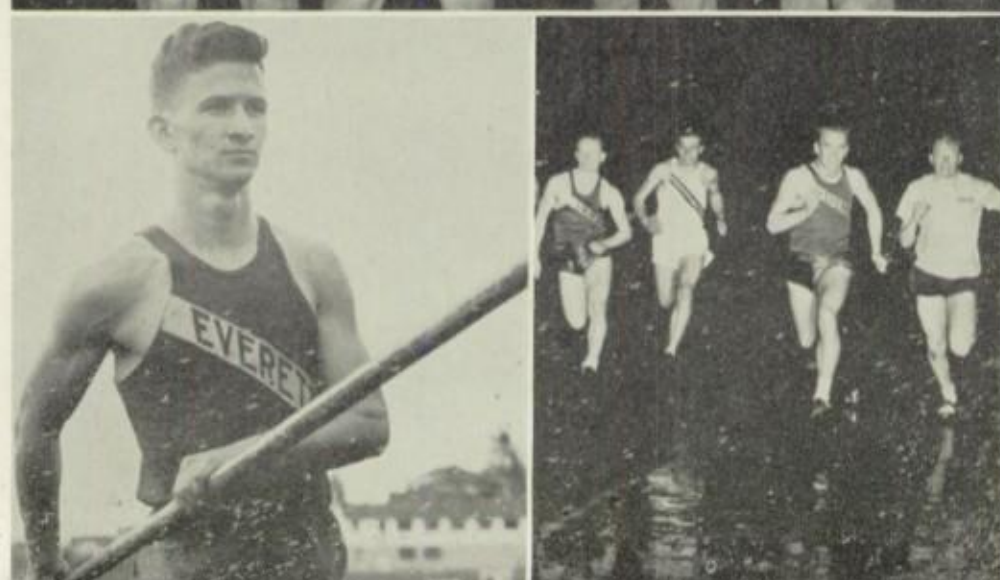

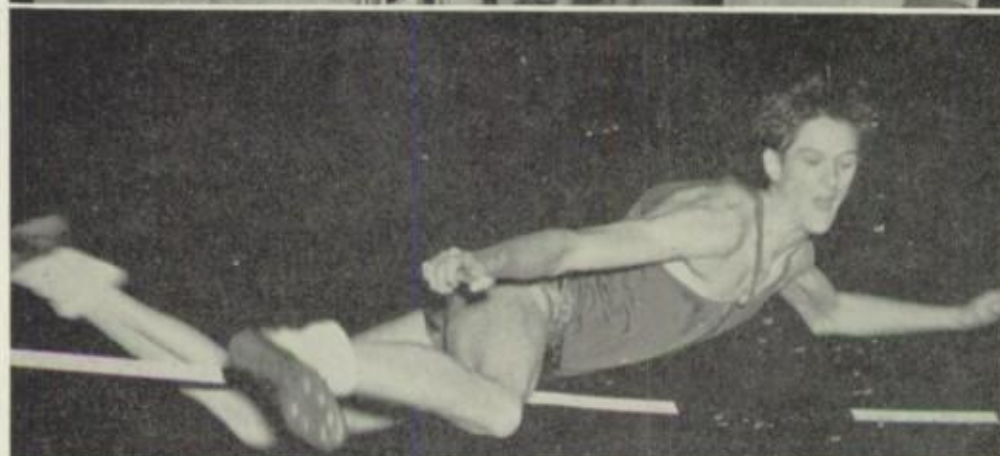

Everett High School was proud to be host to five schools at the 1953 Cross-State meet, and to come out winners. Weather conditions were disagreeable for spectators and track participants alike; but the track team turned in excellent performances. Despite the weather, the field judges and timers turned in a commendable bit of work also. Serving in these official capacities were Everett High School and Everett Junior College track standouts of years gone by.

STOP PRESS

E.H.S. entries in the State Track Meet at Pullman, are: the relay team, consisting of Gordon Johnson, Gary Sugar, Chris Sievers, and Floyd Skinner; John Howell, low hurdles and high jump; Chris Sievers, high hurdles; Bill Kasch, mile; Floyd Skinner, 100 and 220-yard dash.

ABOVE RIGHT, Chris Sievers, team captain, receives the Cross-State Trophy from Tom McDonough, Exalted Ruler of the Elks, sponsoring organization of the meet. Coach Art Ramstad smiles approval. Second picture, Dell Littfin, winner of the high jump at 5 feet 8 inches. In the third picture are relay members, Sugar, Johnson, Sievers, and Skinner whose time, 1:33.8, was a record. Below is Dennis Shanahan, winner of pole vault at 11 feet, and Skinner, number one in the 100-yard dash in 10:2.

Pictured at left are Bill Langenbacker, swimming coach, and Bill Dunn, wrestling coach. Because of their untiring efforts and use of spare time, these two men produced teams of which Everett High School can be proud.

TEAMS VIE

Members of the '52 squad pictured above are: Back row—Thornton, manager, Backlund, LeMoigne, Tremmel, Klein, Wright Coach Langenbacker, Matheny, Sponek, Eddy, Stoddard, Bedingfield, Blakely, Hansen, Hyde. Front row—Christenson, Black, Meacham, Billesbach, Emmott, Semrau, Taylor, Crawford, O'Hare, VanWinkle, Canary, Rothrock, Grove, Stobbe.

Wrestling was popular at Everett High this year, and the team showed greater success than had been anticipated. As mentor, the boys looked to Bill Dunn, who, in his first year as wrestling coach, proved an inspiration to his young team. Because the basketball team was turning out in the gymnasium, the wrestling team held their daily turnouts on the stage of the auditorium.

Fifty boys started the season and a total of thirty-five finished. The season consisted of matches with Fife of Tacoma, Stadium, Mount Vernon, Lincoln, and Sedro Woolley. As a result of their good showing, Coach Dunn sent Jim Michel, Jim Ennis, Bill Randall, and Dean Zimmerman to the state tournament at Pullman. Randall entered the one hundred and forty-five weight class, Michel, the heavyweight class, Ennis, the one hundred and sixty-five class, and Zimmerman entered the one hundred and seventy-five class. Jim Michel and Randall were the only ones to enter the semi-finals, but following Randall's defeat, Michel continued the finals alone to win a hard fought second place.

Captain of the 1953 team was Jim Ennis. The letter winners are as follows: Harrison, Pringle, Young, Johnson, Aldrich, Randall, Ennis, Christianson, Trana, Chapman, Day, Zimmerman, Michel, Gillespie and Heikke, the manager.

Through the season this team gave exhibitions of wrestling at several pep assemblies.

They may not have emerged victorious from many swimming meets, but the Everett High mermen deserve a lot of credit for their efforts. The 1953 season opened against the very strong Mount Vernon squad. The boys from Skagit County topped the Seagull swimmers by a 50-25 count. The EHS splashers skimmed through the water in our local YMCA pool topping the Bremerton team 40-26. Hyde, Eddy, Backlund, Bedingfield and Stoddard were the chief answers to the fast times racked up by Everett. We came out on the shorter end of the score in meets with Lincoln, Stadium and Highline. Altogether the team totaled enough points to win three meets out of ten during the season. The boys went on to take third place in the Cross-State meet.

Members representing ten state teams took part in the state meet at the University of Washington pool on March 14. Everett swam to fourth place standing in the state after placing fourth in several events—Bedingfield, diving; Tremmel, Hyde, Matheny, and Backlund, 200 yard freestyle relay; Stoddard, 200 yard freestyle; Backlund, 100 yard freestyle.

At the winter sports assembly, Coach Langenbacker awarded letters to Bedingfield, Hyde, Backlund, Matheny, Eddy, Wright, Tremmel, Blakely and Stoddard. The outstanding swimmer award went to this year's captain, Fred Matheny.

Members of the wrestling team are: Back row — Randall, Almvig, Hall, Ames, Barstad, Willie, Mahlum, Morris, McClinchy, Cooper, Ingalls and Coach Dunn. Second row — Nelson, Jamison, Young, Baird, Gillespie, Christensen, Day, Hansen, Sanford, F. Johnson, Benson. Front row—Harrison, Hansen, Trana, Ennis, Zuanich, Zimmerman, Michel, Johnson, Aldrich, Pringle, Chapman, Heikke, Mgr.

DR HONORS

Pictured at right are coaches Philip Zalesky, tennis, John Kolkana, rifle, and Bill Gowen, golf. EHS is proud of their teams.

CROSS-STATE WINNERS

"4 out of 5" is the battle slogan of the 1953 Everett Seagull Golf Squad. The 1953 Divot Diggers won their 4th Cross-State League Championship in the past five years, winning 11 consecutive matches with no losses this year. Since 1949, Coach Bill Gowen's squads have won 72 matches while losing only 4 for an amazing record in any sport.

Members of this year's squad are Artie Abrahamson, the only senior on our team and co-holder of the Legion Park course record with a 64; Ron Olson, Robert Soley, Jim Buselt, Richard Pratt and sophomore Mike Meacham round out the rest of the squad, shown with Coach Gowen at right.

Although this year's tennis team didn't have an impressive record in the won and lost department, they were always a tough crew to beat. Boss-man Zalesky had a time picking his number-one man this year; so, Sommers, Reichman and Olson all saw action in first-up position. Reichman and Olson combined talents to produce a formidable doubles duo. Sommers and Yells also saw action together. Lettermen are: Charlie (ol' man confidence) Sommers. Ron (nerves of steel) Yelle, and 1954 incumbents: John (the brute) Reichman, Captain Bob (the machine) Olson, Gary (the improvement) Jensen, and Dick (the workhorse) Oberg.

LEFT, back row: Mr. Zalesky, McKenzie, Billesbach, Kooistra, Knutson, Hall, Kranich, Trotter, Hanson, Mumaw, and manager Fleener. Front row: Doughty, Waiste, Jensen, Olson, Reichman, Yelle, Hansen, Minnich, Oberg.

Our Rifle Club, consisting of 87 students, shoots at the Stadium Range afternoons and Monday nights, September through May.

In the National Rifle Associate Postal Matches, the High School finished 54th out of 192 teams in the United States. The girls' team finished 31st out of 64 teams. The club is also a member of the Tacoma City League, consisting Bellarmine, Stadium, and Lincoln. Everett finished third with 2732 out of 3000.

Letter winners for the year are Dick Carlisle, Bob Bos, Ed Eckman, Leroy Fulton, Bob Carlson, Steve Black, Larry Stoddard and Don Arnett. The second highest rank of the N. R. A. was received by Don Arnett, Larry Stoddard, Bob Carlson, Dick Carlisle, Leroy Fulton, and Steve Black. The highest rank of the association was earned by Eddie Eckman.

Team members are: Back row: Keith, Arnett, Tallman, D. Carlisle, Mr. Kolkana. Front row: Black, Eckman, Carlson, F. Carlisle, Ackerman, Bos, Fulton, Ivy, Townsend.

SLUGGERS OF EVERETT HIGH

Baseball team members, left, are: Back row: Herb Barstad, Don Staringer, Walt Antak, Ken Scafe, Dale Friend, Herb Anderson, Richard Hill, Bill Thieme, Dick Hanson, Patrick Hughes, Gary Harrison. Front row: Jack Strege, Bill Prochnau, Cliff Wilkerson, Jerry Methen, Bob Williams, Doug Evans, Dave Canary, Mr. Hubbard.

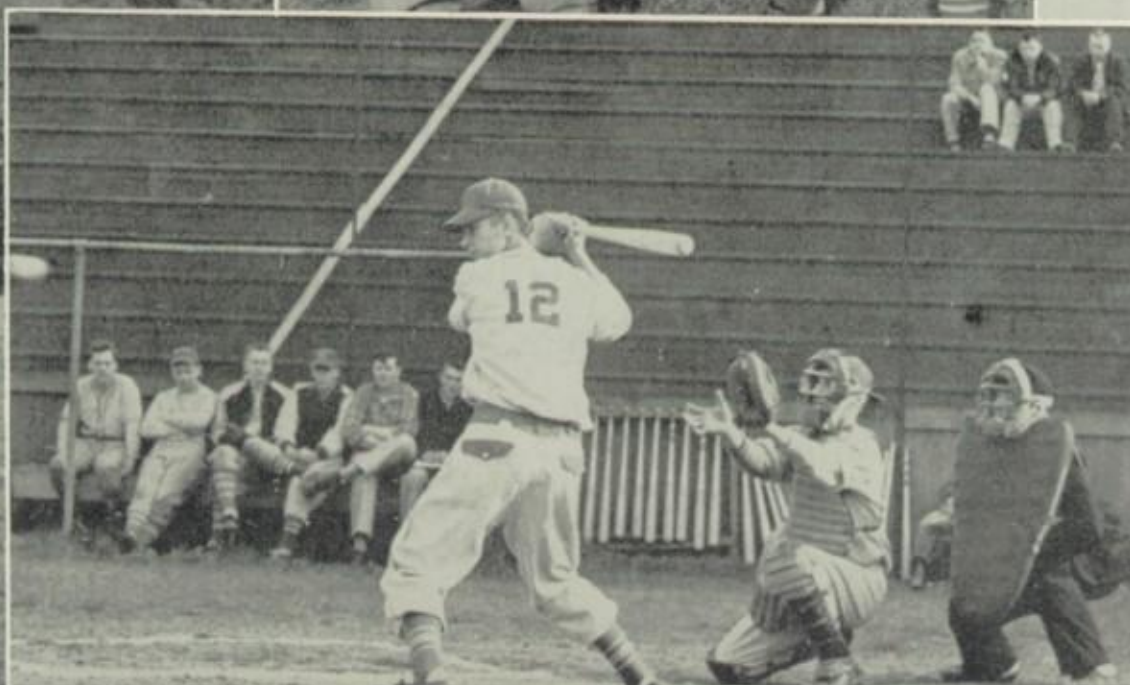

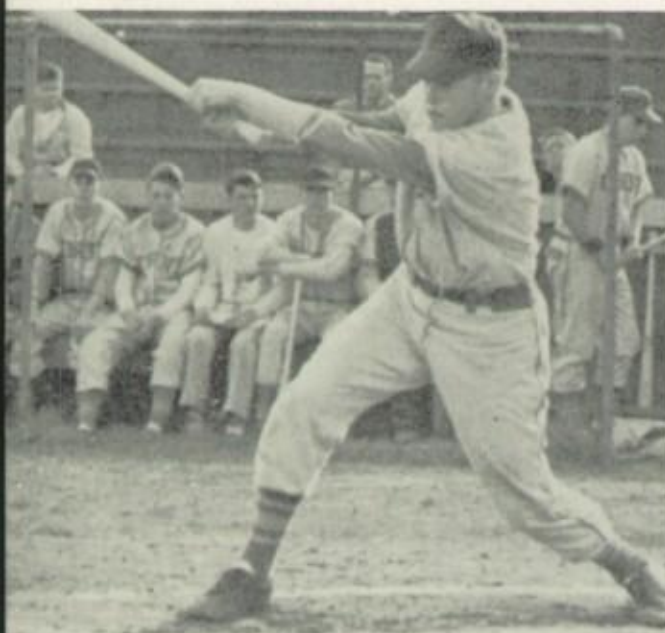

Prospects for a fast, heavy-slugging ball club were slight when Coach Jack Hubbard called for recruits at the beginning of the season. The Golden Gulls got underway with two losses and one win in the pre-league series.

The Gulls played their best games in the Lincoln High series. In the first contest the Everett nine played outstanding ball on defense. With lightning speed the Seagulls made three double plays and threw two runners out at the plate. Although the in-field playing was good, Lincoln copped the game, 5-3. In the

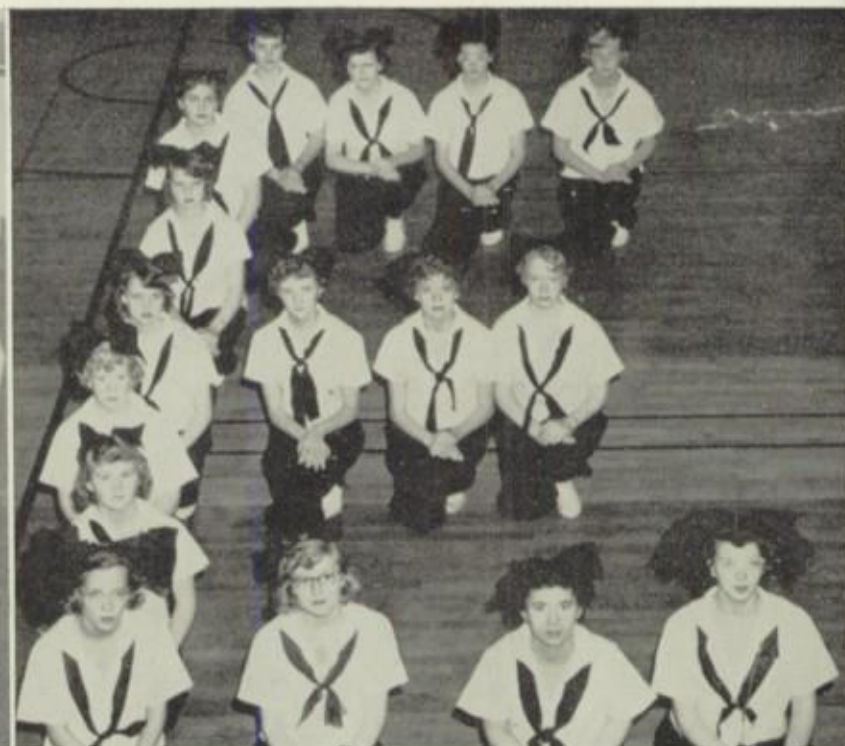

second game Everett shut out the Abes 2-0. In the Wenatchee double header Everett was downed twice, 2-0 and 8-1.

The spirit of the Everett nine picked up when they triumphed over Edmonds 6-2 and trounced Oak Harbor 21-1. The Gulls met Bremerton in a Cross-State double header and were defeated in both contests, 3-0 and 11-2.

Below, reading clockwise, are: Anderson, Coach Jack Hubbard, Captain Bill Thieme, Evans, Wilkerson, Hill and Canary. These were key men during the season.

SPORTS ACTIVITY

Sports have always been a part of the program for all-round school living at Everett High School. In the fall, football players, inspired by Coach Ennis, are often found trying to memorize new plays. Above is a typical scene of the earnest concentration of boys ready to play at their top all season. In the spring Everett High-men's fancy turns to sports—what else? The clowns of the golf team are seen employing pool-hall tactics on the golf green—chasing little white balls, not girls! Baseball is serious business to many of our boys and they give their all to the game. Winding up the

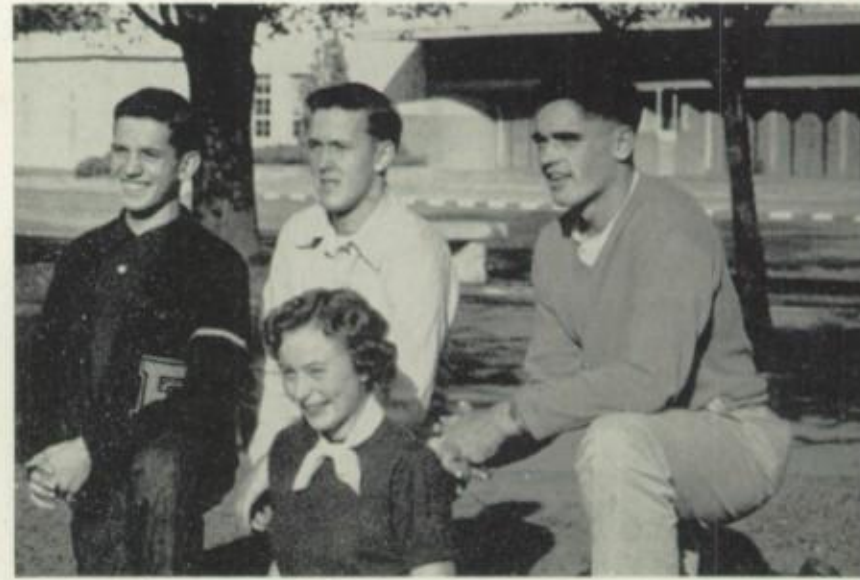

season, and we do mean "wind up," our tennis whiteclads show further versatility in our school sports' program.

Throughout the year the pepband has faithfully supported Everett High's athletes. Seagals (above) sport "stylish" fashions of yesteryear, giving basketball fans a postview of the "new look" in oldtime cheerleader fashions. Thanks to the band and Seagals for their enthusiasm. They are a part of school life that most students treasure—memories of the year's games.

ON THEIR WAY

The Sophomore class faces the future with a splendid record. They were the only class represented in the Hi-Jinx; this shows their pep and enthusiasm concerning the school. One social activity the Sophomores sponsored was a dance after one of the games. They proved that they were willing to perform any service. Sophomore class officers, shown at right, are: Back row, Don Dawson, president; Dick Hanson, vice-president; Jim Linden, treasurer. Front row, Janice Kolts, secretary. LEFT, chairman of Sophomore class advisers, John Kolkana.

SENIORS ON TAKE A

We seniors graduating this year have, in our own way, contributed to the history of Everett High School. We have carried on traditions and initiated new ones. Many of our parents can remember graduating from this same school, proud then, as we are now, to be a working part in the memories of our school.

Some of the Nesika seniors entered into the spirit of days gone by when they sampled the town's only 1911 Hudson. Shall we look like them to those that follow us at Everett High School forty years from now? If you do not recognize these seniors in the fashions of early motoring days, they are: Christine Severson, Floyd Skinner, Coral Arntzen, Gary Theodorson, Mary Vee Martin and Don Erickson.

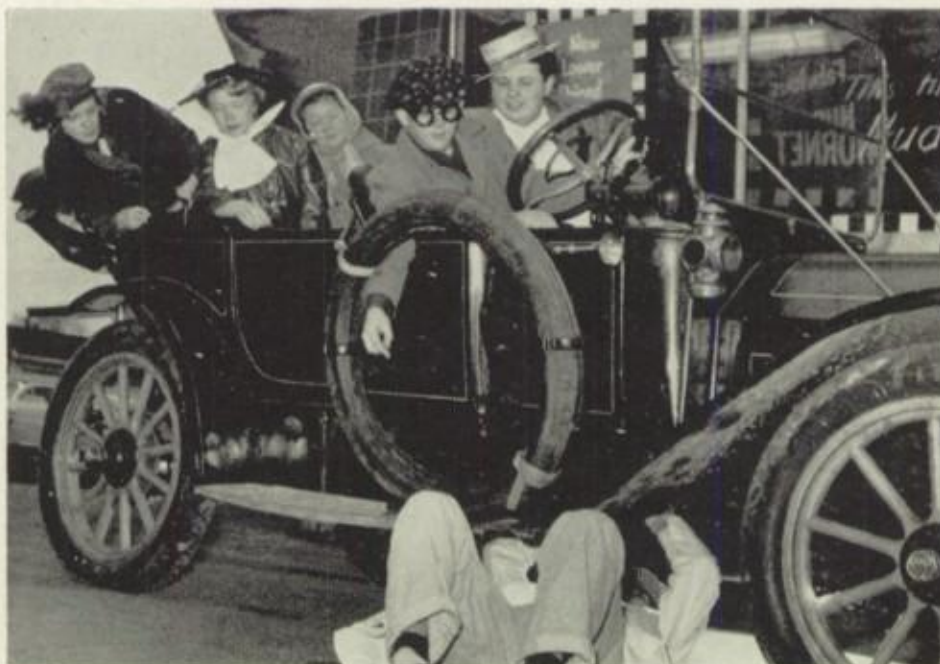

We realize now that our three years in Everett High School have been truly the "best years of our lives." Our sophomore year was filled to the brim with activities and new acquaintances. We were led by David Richardson, president, Bill Thieme, vice-president, Bill Kasch, secretary and, Mike Fankhauser, treasurer. We took an active part in the Hi-Jinx and Christmas pageant. We gave a never-to-be-forgotten sophomore talent show along with a highly successful sophomore sock-hop. We proved to be zealous for a worthy cause when we beat the up-perclassmen in the March of Dimes contest.

As juniors we returned to our school with high hopes and expectations for the year to come. Mike Fankhauser was elected president, with Don Erickson, vice-president,

WAY OUT LOOK BACK

Sharon Craig, secretary, and Lester Nelson, treasurer. Our big production for the year, the Junior Prom, was carried out beautifully in Hawaiian theme under Martha Hovde's capable directions. The junior assembly, representing a television show, was very successful. We closed our second year with Campus Day and all of our thoughts eagerly awaited the following school term when we would be upperclassmen.

Our best year has run smoothly under the able leadership of Gary Sugar, president, Jan Holmstrom, vice-president, Judy Bond, secretary, and Dan Michel, treasurer. As this was to be our last year we wanted it to be our best one. Many seniors added to the success of

the 1953 Hi-Jinx and energetic committees produced the Senior Play revived only last year after a lapse of many years. We have established a precedent by holding an enjoyable senior breakfast on "dress-up day," which also proved successful. We led the others over the top in the March of Dimes contest. We were to end our school years with baccalaureate, graduation, and our final dance, the Blue and Gold.

We leave a little regretfully, uncertain of what is to come; but we have the satisfying knowledge that the class of '53 has made a worthy contribution to the annals of Everett High School.

The commencement speakers and their adviser, above right, contributed to the success of our graduation exercises. They are Doug Evans, Evelyn Howlett, Bill Thieme, Mr. Akright, adviser.

MY CREED . . .

I would be true,
for there are those who trust me;
I would be pure,
for there are those who care;
I would be strong,
for there is much to suffer;
I would be brave,
for there is much to dare.

I would be a friend of all —
the poor — the friendless;
I would be giving
and forget the gift;
I would be humble,
for I know my weakness;
I would look up —
and laugh — and love — and lift.

. . . Howard Arnold Walter

SUMNER IRON WORKS
We will be juniors next year and Seniors
after that but never again Sophs. When you
look back some day on this year make
Everett, Washington

you'll wish life could be repeated we always
grow older before we know it, but we do, we
have our youth and memories also behind us.
We may never see each other after high
school — who knows? Some will be successful
others won't.

Saved for Morgan:

Dearest Barbara,

See, I am friendly, aren't I. But, here's to a sweet
girl and me of the 4 musketeers. I'll never forget you
standing outside the main building in your
ski outfit looking around with your dumb frocked face.
Boy, you sure looked
sad. Por fin, estoy muy cansado, como hasta luego, baby.
Take it easy and I hope you
get ahead. most people have them.

The EVERETT PHOTO ENGRAVING COMPANY congratulates Mrs. Scougale and the Nesika Staff for their fine work on this, the 1953 annual. The occasion of the completion of one of the finest annuals in the country is also a time for us to feel proud of our part in making this the first Nesika in the history of Everett High School to be produced entirely in Everett.

• When members of the "Nesika" staff invaded Mr. Kiter's workshop in February, photographer John Zuanich was on the job. He photographed Mr. Kiter explaining the engraver's camera at the left, then, in the top picture, showing a plate after the first etching. At the right, he dusts "dragon's blood" on the plate to protect the design from the onslaught of acid used in the etching process. Lastly, he routs out useless metal from the plate and then it is mounted on cherry wood for use in the printer's shop.
